SCOPE AND TOPICS

SIE-2026, the **LVII Annual Meeting** of the **Associazione Società Italiana di Elettronica (SIE)**, will be held in the **University of L'Aquila**, from June 24 to 26, 2026.
The SIE-2026 Annual Meeting is organized as a long oral plenary session on emerging topics of particular interest for the Electronics community. Invited lectures by international experts on state of-the-art topics will support the scientific programme. Poster sessions will provide attendees interactive interactions.
Two typologies of three-page abstracts can be submitted:

- **review contributions**, highlighting already presented results;
- **original contributions** with significant novel results.

Selected contributions will be published in "Lecture Notes on Electrical Engineering" (Springer, indexed Scopus)
An International **PhD School in Electronics**, organized by University of L'Aquila, will be held from **June 22 to 24**, 2026.
